

## **Leermiddelen Nederlandse afdeling**

In de Nederlandse afdeling krijgen alle leerlingen hun leerboeken, schriften en alle andere materialen op een eenvoudige en uniforme manier. Op de eerste schooldag krijgen alle leerlingen alles (boeken, werkboeken, schriften, kleurpotloden...) van hun klassenleerkracht. Al deze materialen worden in de zomervakantie aan de school geleverd door de firma Koks-Gesto. Eind september krijgen alle ouders een brief, een overzicht van alle leermiddelen per klas en een rekening van Koks-Gesto. Bij de rekening wordt voor alle verbruiksgoederen (schriften, werkboeken etc.) de kostprijs berekend. Voor de leerboeken wordt een beperkt bedrag voor de huur/het gebruik in rekening gebracht. De firma Koks-Gesto werkt in nauw overleg met de leerkrachten en op basis van de verschillende bestellijsten. Tevens wordt er door de leerkrachten en door één verantwoordelijke ouder toezicht gehouden op een correct financieel verloop.

Bergen N.H., 23 June 2010

**English Language Section: Book and Equipment Fund**

Dear Parents,

The charge for the Book and Equipment Fund for the academic year 2010-2011 is 70 Euro per pupil. The payment of this charge entitles your child to use the equipment available in the classroom which has been purchased with the fund. This includes consumable items such as exercise books and work books as well as non-consumables i.e. textbooks, reading books and other resources which are available in the classroom from year to year. The fund provides for materials across the curriculum. The Inter maths books are not covered by the fund and are billed to you separately.

This year pupils in the **Primary School only** will be asked to contribute. The Nursery Class is currently well supplied with materials which are in good condition and therefore the fund is not needed to purchase new equipment or to replace old material for this academic year.

There is a discount for families with more than one child in the Primary School. This is calculated as follows: the oldest child in each family pays 70 Euro; second and subsequent children have a discount of approximately 20 Euro. Please note that this applies only to children in the Primary School English Section. Please use the following table to determine how much your family needs to pay:

| Number of children in the Primary School | Total amount payable |
|--|----------------------|
| 1  | 70 Euro              |
| 2  | 120 Euro             |
| 3  | 170 Euro             |

**Method of Payment:**

We ask you to pay directly into the Book and Equipment Fund Account. An initial letter requested payment by **Wednesday, 22<sup>nd</sup> September 2010**. If you have not already made arrangements for payment then please would you do so as soon as possible. Prompt payment is appreciated as teachers often purchase equipment during the summer holiday so that it is available for use at the beginning of the school year. The details of the account are as follows:

**Europese School Bergen inzake English Book Fund – Bergen NH**  
**Account Number: 40.13.70.267**

**Please quote your child(ren)'s surname(s) and class numbers as reference.**

If it is inconvenient for you to make the payment into the bank account, then you may pay in cash instead and the money will be paid into the bank account on your behalf. In this case, please place the money in an envelope clearly marked with the family name and hand it to one of the class teachers during the first week of term.

**We would like to thank all parents who have already made arrangements for payment.**

Yours sincerely,

F. Dullea  
Deputy Head

## **Booklist 2010 / 2011      Class P4E**

### **English**

There is the implementation of the new English L1 syllabus.

We follow a Handwriting scheme called PenPals and some children will have a pupil book and there will also be sheets that the children complete in the class and perhaps for homework. We hope to complete this scheme during this coming academic year with the acquisition of the Year 2 and Year 4 units.

The children read a wide range of text types; narrative, non-fiction and poetry. Cross-curricular links are frequently explored especially with Discovery of the World and there is a good range of non-fiction books to cover this.

In P4 the following guided reading books are also used. We do have the majority of these already purchased by the Book and Equipment Fund but it could be necessary to replace any copies where appropriate and possibly purchase another class or group set of a further book that could be added to the guided reading books below.

### **Autumn Term**

The Mousehole Cat by Antonia Barber  
Bill's New Frock by Anne Fine  
The Firework-Maker's Daughter by Philip Pullman  
Grandpa Chatterji by Jamila Gavin

### **Spring Term**

The Chicken Gave It To Me by Anne Fine  
The Wreck of the Zanzibar by Michael Morpurgo  
Kensuke's Kingdom by Michael Morpurgo

### **Summer Term**

Journey to Jo'burg by Beverley Naidoo  
Sir Gawain and the Loathly Lady retold by Selina Hastings  
The Lion, the Witch and the Wardrobe by C. S. Lewis

This list is not definitive and may be amended.

### **Mathematics**

The Mathematics syllabus for the European Schools is followed and the use of the obligatory scheme in the European Schools is Intermath. This is supplemented by some national materials.

The Book and Equipment Fund also covers a wide range of other equipment for use in the class, for example, independent readers and non-fiction books. The charge for 2010 / 2011 is €70. See a separate letter.

Provided by the school and billed to parents: Intermath 4; books 1 and 2

If there is anything that you need to enquire about please do not hesitate to get in touch with your child's current class teacher who will be more than happy to help you or direct you to the appropriate person.

## FOURNITURES ET MANUELS

Chers parents,

Je prépare en ce moment les commandes de fournitures et manuels pour la rentrée prochaine.

Pour éviter les problèmes de formats et de réglures, je vous demande de ne pas acheter les cahiers ou les feuillets quadrillés. J'effectuerai un achat groupé incluant également quelques autres fournitures pour l'année prochaine (papier calque et millimétré...). Le montant à payer vous sera communiqué à la rentrée.

Pour le reste, voici la liste des fournitures que je n'achèterai pas et que vous pouvez dès à présent prévoir pour votre enfant et à apporter impérativement à la rentrée:

- un gros classeur deux ou quatre anneaux pour le français
- deux séries d'intercalaires
- un agenda ou cahier de textes (en français)
- une chemise à élastique (farde)
- un petit classeur A4
- un stylo encre et des cartouches (à renouveler si besoin est en cours d'année)
- des feutres
- des stylos de différentes couleurs (bleu, vert, rouge, noir)
